

Rental Services

Office Concepts can provide your company with rental furniture solutions. Whether you are a start-up venture, mid-market enterprise, or Fortune 1000 company, we can meet your requirements for fast, temporary solutions and “Furniture Flexibility” – the ability to quickly adapt office furnishings to suit your changing needs. Our dedicated and experienced team has a thorough understanding of the commercial furniture rental expectations of any customer.

Why Rent?

Perhaps you need to conserve capital. Or, maybe you need more flexibility. With rental services you can achieve fast solutions for your short-term and urgent office furniture rental needs.

- Office expansion
- Temporary employees
- Delayed furniture delivery
- Facility relocation/expansion
- Contractors/consultants/auditors
- New divisions/start-up operations
- Corporate training sessions
- Special events/meetings
- New projects/task forces
- Temporary office locations
- Disaster recovery
- Defer purchase commitment
- Conferences/workshops
- Preserve credit lines

Rental Order Size

No order is too large, too complex or even too small for us to handle. Whether you need one office suite or 100+ workstations, we get the job done fast.

Rental Length

Whatever term best serves your needs – our contracts range from one day to one month and longer. With itemized billing and simple terms and conditions, we make renting easy.

National Availability

Our national accounts program includes a single point of contact and local execution to minimize your cost. We make cross-country simple.

Related Services

Professional space planning, design, project management, delivery, installation and reconfiguration services. We do it all.
